Some are the faces of buildings . . .

Some are the faces of administrators . . .

Some are the faces of teachers . . .

The Face of Bartlett Yancey High School . . .

It is the face of a building that you pass each day.

It is the face of an administrator you will always remember.

Most of all, it is YOUR face and the face of the person next to you.

YOU are the face of B.Y.H.S.

Shakespeare's Macbeth said: "False face must hide what the false heart doth know." Now we communicate without words. At only a glance we discern assent or dissent, respect, sincerity, integrity, reverence, truth, love or affection. Before your young faces have faded, all innermost thoughts may be open to all.

The Student Council is one of the most outstanding organizations at Bartlett Yancey. Its purpose is to promote the best interests of the school and to develop leadership qualities in its students. It is a place for students to bring their problems and form a closer relationship with the administration and faculty.

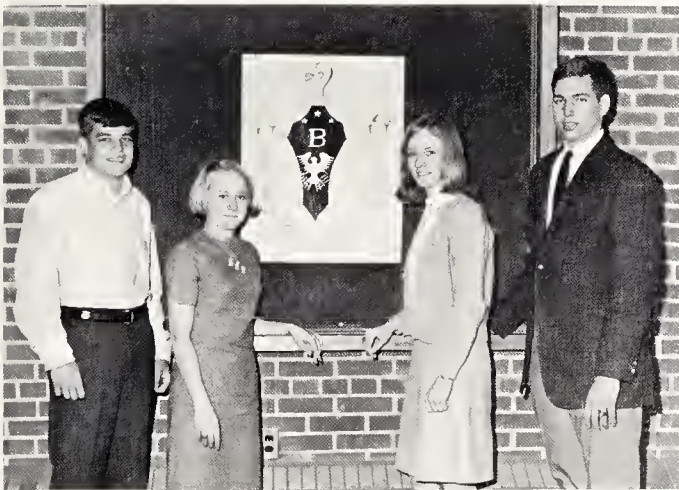

The members must not only have a high scholastic average, but they must also hold high moral standards as stated in the constitution of the Student Council.

The Council advisor is Mr. W.D. Hovatter.

The Bartlett Yancey Chapter of the Future Teachers of America is composed of boys and girls who would like to center their careers around the teaching profession. The members of the club get experience by observing a teacher while having class. They learn how the teacher carries out the lesson and the reactions of the students. The experiences are very helpful to a future teacher.

The Future Farmers of America or F.F.A. as it is commonly called is a national organization for urban and farm boys from 14 to 21 years of age. It was organized in 1928 by some devoted agriculture teachers who felt that farm boys needed more than just learning how to farm. Since then it has become one of the greatest organizations for boys in the world. It not only has an active membership in the U.S., but in Puerto Rico also.

The primary aim of the F.F.A. is to develop aggressive, competent leadership. No time in our nation's history has the need been so great.

The F.F.A. is a natural and practical program which believes in having by doing. It helps to explore careers directly related to agriculture and to recognize a need for continuing education.

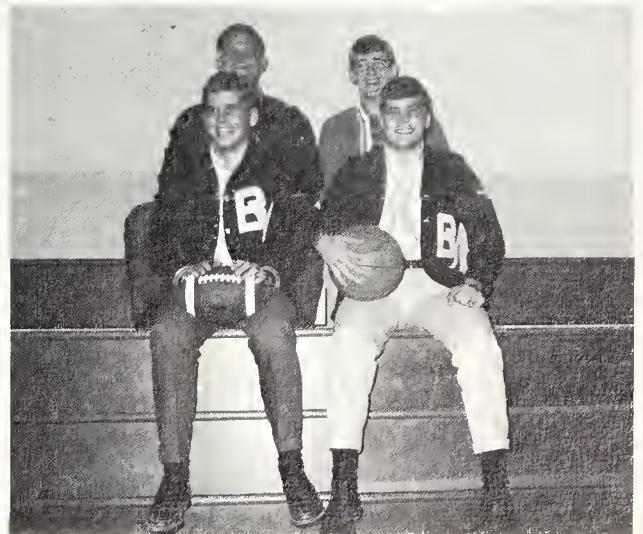

MONOGRAM CLUB

OFFICERS

Stemming from the varsity sports at B.Y.H.S. is the Monogram Club. This organization is composed of the athletes who have earned a "letter" in Football, Basketball, Baseball, or Track.

The main objective of this club is to provide an incentive for promising high school athletes to keep team spirit running high and to encourage participation and sportsmanship.

Mark Atwater, Secretary-Treasurer; Dan Pleasant, President, Clarence Garner, Vice-President; Wells Barker, Reporter.

A high school paper has a high educational value to student workers and a special value and acceptability to student readers.

The purpose of a school paper is to publish the news and events of student and school life. It may also be a springboard for those students who will pursue careers in journalism or allied fields, where it helps to know how to write clearly and concisely.

The school newspaper reflects the kind of school it represents. So, it is very important that it be at its best.

In Conclusion

Another year has come and gone,
And with it joy and sorrow.
The many, many faces we have known
Will still be remembered in years of tomorrow.

But no other face than that of Bartlett Yancey
Could hold our love so well;
For we shall never, ever forsake thee,
Or let thy cherished image fail.

Though this year be finite for seniors,
And seem to freshmen as eternity's dawn,
The wonderful face of Bartlett Yancy—
It shall live on and on.
